**What is National Youth Leadership Training?**

NYLT is an exciting, action-packed program designed to provide youth members with leadership skills and experiences they can use in their home troops and crews. Many of the local Councils offer week-long, or 2 weekend, leadership courses. The NYLT course centers around the concepts of what a leader must BE, what he must KNOW, and what he must DO. The key elements are then taught with a clear focus on HOW TO. Content is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun environment.

Crew and Troop Members may wish to apply for a comparable leadership training instead.

\*Trainings typically have a minimum age of 13 or 14.
